Modern Slavery Statement

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain.

We have a zero-tolerance approach to modern slavery, and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

Click Creative (trading name of Right Click Creative Ltd.) has a zero-tolerance approach to Modern Slavery. We are committed to ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our disclosure obligations under the Modern Slavery Act 2015.

We expect the same high standards from all of our suppliers and other business partners, and we expect that our suppliers will hold their own suppliers to the same high standards.

This policy applies to all persons working for Click Creative or on our behalf in any capacity, including employees, associates, volunteers, interns, contractors and business partners. This policy does not form part of any employee's contract of employment, and we may amend it at any time.
